10 Keys For Maintaining YOUR VISION

As a Visionary, you are charting a path of your own and, at times, you will need faith to keep moving forward. Below are several keys to unlock your motivation when it's running low.

1. Be relentless.

"It's not over until I win." Les Brown

2. Don't wait for the perfect conditions.

"Start now. Start where you are. Start with fear. Start with pain. Start with doubt. Start with hands shaking. Start with voice trembling but start. Start where you are, with what you have.

Just... start." Ijeoma Umebinyuo

3. Lean into fear.

"Do it afraid." Joyce Meyer

4. Celebrate the small wins.

"Create MICRO wins to get to MACRO wins." Lisa Nichols

5. Raise your standards.

"Turn your SHOULD'S into MUST'S." Tony Robbins

6. Remove limiting beliefs and language.

"Every time you state what you want or believe, you're the first to hear it. It's a message to both you and others about what you think is possible. Don't put a ceiling on yourself." Oprah

7. Make a new choice.

"You are one decision away from a completely different life." Mel Robbins

8. Aim high.

"Don't try to lessen yourself for the world; let the world catch up to you." Beyoncé

9. Determine to succeed.

"Act as if it were impossible to fail." Winston Churchill

10. Take risks.

"[S]He who is not courageous enough to take risks will accomplish nothing in life." Muhammad Ali

On the next page, cut out your favorite quotes or write them on a post-it note. Then, place them on your enVision Board in a place you pass by every day. Glance at it as often as you need until you believe what the quote says for you.
